

## ECKINGTON PARISH COUNCIL NEWS

At the Annual Meeting of the Parish Council on 20<sup>th</sup> October, Mary Hughes was elected as Chairman of the Council and Tim Knight as Vice Chairman.

The updated contact details of all councillors are now posted on the Parish Council Noticeboard.

On 5<sup>th</sup> November the 30mph speed limit along Nafford Road is to be extended and the relevant Traffic Order and plan can also be found on the PC noticeboard.

The October Parish Council meetings had very full agendas and were too late to meet the Parish News deadline for the November edition of the Parish News. The December edition will now include information from both the October and November meetings.
