The government have announced that the appropriate sum for Section 137(4)(a) of the Local Government Act 1972 (the 1972 Act) for parish and town councils in England for 2020-21 is £8.32 per elector. The Council has a small fund of £500 allocated in budget for 2020-21.

1. Eckington Parish Council will consider making a grant under the provisions of the Local Government Act 1972, providing the applicant submits a grant application with appropriate details.
2. The Parish Council has a responsibility to ensure value for money for taxpayers and to make every attempt to ensure public money is spent in a responsible manner within Eckington or for the direct benefit of Eckington residents.
3. Local groups and charitable requests will be considered, and must provide services that will benefit a significant proportion of the local community
4. Applications will not be considered from groups outside Eckington unless there is an obvious benefit for Eckington residents.
5. The organisation's accounts should be publicly available and are requested with the application – if accounts are not available, a reason should be given as to their unavailability.
6. An organisation should have a bank account in its own name with two authorised representatives elected from within the organisation required to sign each cheque.
7. Applicants will need to demonstrate that match funding applications have been made.
8. Grant applications are considered in March and September. Larger grants may be deferred until the next financial year if approved to allow the Parish Council to budget for the amount.
9. Applicants should note that the Parish Council holds the funds until the project has been delivered and copy invoices received. Funds not drawn down within 12 months of grant offer (or other time as specified by the Council) will be made available to other projects.
